

EQUIPMENT RECALL!

COBRA PX650 BUSINESS WALKIES

Issue - Battery Overheating

Recall Date - 06/12/2025

Important Notice: Global Equipment Recall – Cobra PX650 Walkie-Talkies

Cobra has issued a global recall for all PX650 walkie-talkies deployed between **October 2024 and February 2025**. These units may continue to be used as normal **until replacement batteries are received**.

Important Safety Instructions:

- **Do not** tamper with, drop, or attempt to replace the batteries.
- Ensure all walkie-talkies are **powered off before placing them into the charging hub** to maintain device integrity and prevent potential overheating.

If your unit exhibits any of the following issues—**unusual noises, overheating, connectivity problems, or power malfunctions**—please immediately mark the device as **out of order** and **do not** place it in the charging hub. Report any damaged units directly to **One Redway**.

For additional details regarding this recall, visit www.oneredway.com/asset-protection/px650 or contact your supervisor.

Note: Units with visibly damaged batteries should be shipped back to **One Redway** for safe and proper disposal.

THIS MESSAGE WAS SENT & ISSUED BY THE ONE REDWAY CONSUMER & ASSET PROTECTION DEPARTMENT!
